

## **Indigenous Guardians**

### **Full time casual opportunities for Community Members**

**5 – 7 hours per day, Monday to Friday with normal working hours between 7:00 am to 5:00 pm**

**Up to \$30.00 per hour - starts end of July**

KFN's Indigenous Guardian program is carried out under the mandate of KFN's Lands and Natural Resources department through the Stewardship & Guardianship team. Indigenous Guardians have an important role to assert our rights and title, and monitor and protect the waters, lands and cultural resources within KFN's traditional territory. This role is responsible for maintaining a presence throughout the territory while out on the job; monitoring impacts of resource use; reporting policy violations, as well as provincial and federal regulations; accurately collecting data; and reporting activities to the Stewardship & Guardianship Manager. Work supports all Lands & Natural Resources programs including lands and resource use planning, fisheries, referrals and cultural heritage protection.

#### **Main Job Duties**

- Observe and report on active projects within the territory with consideration to environmental and cultural heritage concerns
- Assist with KFN stewardship initiatives

#### **Working Conditions**

- Field position working on the territory in a variety of work sites in all weather
- Monitoring construction activities
- Occasional survey work in rugged terrain, and in river/lake environments

#### **Job Requirements**

- Valid Class 5 Driver's License
- Reliable personal vehicle (insured for work use and in good working condition)

#### **Qualifications**

- Proficient computer skills, including email and using handheld devices
- Strong communication skills and be able to interact with proponents/contractors in a polite and positive manner
- Construction experience an asset
- Dependable, motivated and demonstrates a strong work ethic
- Shows initiative and is a team player
- Demonstrates a strong commitment to the KFN Indigenous Guardian program vision
- Demonstrates a strong commitment to protecting the health of KFN territory and culture
- Ability to work irregular work hours, including some overtime
- Physically able to complete duties
- Comfortable outdoors

**Safety and indigenous monitoring training will be provided.**

#### **To Apply**

If you would like to work out in the field and experience the beauty of our Traditional Territory and have an interest in protecting our important culture values this would be a great job for you! Looking for people with a great attitude that have a genuine interest in bettering our community.
